say without he many—just the sys-percrament which nerro elavery may set it was the comprehensive whill describe, despendency, all there. Who can not these of definitions that the falled because "was a despote-ng-criticomite raise these."

THE NATIONAL FLAG

Ruling Passion Strong in Boath

The elicine was all bottle was collisioned and the collisioned are purposed from the present questly which he can be completed. The formers are purposed by the control of the purpose of the purpose of the collisioned by the last flower of the last of the last of the last flower of the last flower

A plan to fire the city again to-night, and to explode one magaline containing 20,000 pounds of powder, has been accounted by the arrest of several of the implicated partials of several of the implicated partials of several of free several of the implicated partials of several of several of the implicated partials of the several of several of the several manufacture and several provided to be correct to the letter. The Richmond, Virginia and another one, were all blown to pieces this mounting, and manufacture is at the bottom of the James. The Fairfest Henry, errocaving skip, was secutived. Supposed the Richmond, virginia and another one, were all blown to pieces this mounting, and was longing the Governor to make draft; and the Richmond, virginia and smother one, were all blown to pieces this mounting, and was longing the Governor to make draft; and the Richmond wharves, was also find at the Richmond wharves, was also find the several proceedings as as as a course of 1864, to ray a several processing the several processing the foreview of the several processing the several worlds, to be followed by very page and towns, counties and glates both Eastern and Western.

Let every father and mother send one red postage stamp for themselves and one for each child, for the benefit of the Fair. Not one soul who sees the minouncement but will send, not only one, but some ten times one; still every man, words and child in this great and glorious Union even do it, and if all do, what smount can be realized? Say only ten-millions population, and this will give us thirty millions of cents or three hundred thousand dollars. This would help them some. What tay you'll Let them all be forwarded to some of the committee. Try it.

details of an impending naval conflict between the rebel, pirate from-eled ramistonewall and the Federal stramers Niegars and
Sacraments. The Stonewall lies makes port
of Forrol, undergoing repairs, and the Federal ressels are near at hand, ready to pitch
in whenever the pirate shall have got outside
of the neutral port.

The rebel ram Stonewall is atomic one hundred and seventy-live feet long, over all, and
thirty feet beam, and would be regarded as
"crant," by old nautical men. Her spar, or
ram, is twenty feet long, her plating five and
one-half inches thick. She has two anmovable turrets. In the forward miret is mountsed a powerful run of Armatrony's nake. In
the other turret are he has two guns, by the same
maker—200 pounders. The forward run is a
SOO pounder. The desis are of wood, with
a plate of from one inch thick beneath. Ble
has two keels two radders, two propellers,
and four engines, stated to be three hundred
horse power all combined. Her main deck is
not more than two feel above the water.
Her side thops is considerable, and
she is full brigg-regied, and reports settynume man. The Stonewall is short handed,
and there is every effort maxing to herenehar every out the Spanish authorities are, or
presend to be, on the aftert to prevent her
ribupting men there; but making to herenehar every out the Spanish authorities are, or
presend to be, on the aftert to prevent her
ribupting men there; but making to herenehar every out the Spanish authorities are, or
presend to be sone the shall of the stonewall the
tire days leave of Stenes and ordered to report at Calain, France, where, it is said, they
will be sent by sea to Stened, in Spain, its
the Stonewall. The Stonewall is read, they
will be sent by sea, to Stened, in Spain, its
the Stonewall. The Stonewall is the rate at
example of the Press. He was in Farit at
example of the stone and the state to be
